

Heritage High School Band Handbook Agreement

The information enclosed in the band handbook is the backbone of our organization. Many years of experience from many band directors and band programs serve as references for the finished product you have today. The enclosed methods, regulations, procedures, and references allow us to attain the highest degree of performance and accountability that we currently enjoy at Heritage.

It is imperative that parents and students are familiar with the information in this handbook. Students are held fully responsible for the information contained within. Parents can assist with this by being familiar with the contents of the handbook as well. Our entire infrastructure is designed with the student's educational well-being in mind. We thank you for your time to become familiar with the Heritage Band Program and we look forward to another successful year our students and parents.

WE HAVE READ THE HERITAGE HIGH SCHOOL BAND HANDBOOK AND UNDERSTAND, TO THE BEST OF OUR KNOWLEDGE, THE POLICIES AND INFORMATION CONTAINED THEREIN. WE AGREE TO FOLLOW ALL RULES, REGULATIONS, AND GUIDELINES PRESCRIBED WITHIN THE HANDBOOK, INCLUDING THE PAYMENT OF ALL FEES PER THE HANDBOOK.

WE FURTHER REALIZE THAT THIS AGREEMENT MUST BE SIGNED IN ORDER TO ESTABLISH AND MAINTAIN AN ACTIVE ROLE IN THE HERITAGE BAND PROGRAM.
